Lewis, Hooper & Dick, LLC Named Garden City Community College Endowment Association's Outstanding Service Honoree

Garden City, KS – Lewis, Hooper & Dick, LLC is proud to announce that it has been named Garden City Community College (GCCC) Endowment Association's Outstanding Service Honoree.

Many of the firm's members/owners echoed the same message about their recent recognition, "A quality education truly opens doors to paths not commonly enjoyed – paths often found to be richly rewarded with the fulfillment of one's dream. It is our great honor to be recognized for our small part in GCCC's tremendous success."

Lewis, Hooper & Dick, LLC has been supporting GCCC in various capacities since 1987. Specifically, the firm has provided a \$500 annual scholarship for GCCC accounting majors through the association each year since 1990.

Lewis, Hooper & Dick, LLC also serves as local partner in education with Victor Ornelas Elementary School, and operates a payroll deduction program in which employees support the Victor Ornelas Star Scholarship. Once the school's students reach college age, they become eligible to receive a scholarship to attend GCCC.

"We believe that GCCC is superb, and truly a dynamic and leading educational innovator in our community, state and nation," said David Lunzmann, Firm Administrator of Lewis, Hooper & Dick, LLC. "Many of those on our team found the roots of their education at GCCC, myself included many years ago. Our firm has long enjoyed a rewarding business and professional relationship with GCCC too."

The GCCC Endowment Association is a nonprofit organization that exists to aid, foster and promote the development and welfare of the Garden City Community College, and the education and welfare of its students, faculty and alumni. For more information, visit www.gcccendowment.org.
